ASST. SECRETARY TO GOVERNMENT
11518
14 FEB 1955
PUBLIC WORKS DEPARTMENT

Letter No.3656 -A1-5L-2 dated 11.2.55

Sub: Land Acquisition - Highways Department - Temporary Development of West Coast Roads - Revenue staff - employment of.

Ref: G.O.No.3446 P.W.D. dated 27.12.54.

The Collector of South Kanara, Mangalore has written to me that the sanctioned for the special staff accorded in the G.O. cited which expires on 28.2.55 has to be got extended. He has also enquired the probable date when the staff may be required and the duration for which the staff will have to be employed - vide Copy of his letter enclosed.

2. Land Acquisition can be taken up only after the plans & estimates are sanctioned by the Government of India. The estimates detailed in the annexure have so far been sent up to Government of India and sanction of Government of India is still awaited.

3. The land acquisition proposals as provided for in the estimates are not quite all to the I.R.C. standard. In order to keep down cost of the entire scheme the Superintending Engineer has provided the minimum land widths required taking into account the local conditions and this has been adopted in the estimates sent up to Government of India for sanction. It will therefore be seen that the width of land to be acquired can be decided only after the estimates are sanctioned.

4. In this connection, I have to state that the Government of India have since decided to give full grant for the development of West Coast Road from 1st April 1955.

5. In these circumstances, I recommend that the staff sanctioned may be allowed to be utilised from April 1955 onwards for a period of 6 months in the 1st instance.

Copy to the Collecter of S.Kanara.

Copy of letter No. Rev.S.1. 31707/54 dated [illegible] from the Collector of S.Kanara to the Secretary to the Board of Revenue, [illegible], Madras-5.

Sub: Establishment-Temporary-South Kanara District -Revenue Staff for Land acquisition for Development of West Coast Roads-Posting--postponement-requested.

Ref: 1.G.O.Ms.No.4445, dated 17-12-54, communicated in B.P.Rt. 6118, dt. 23-12-54.
2.Government Revenue Department Notification dated 7-2-55.
3. Board's Telegram dated 11-2-55.

Sri S.Swaminathan, Special Deputy Collector presentedhis joining report on 11-2-55 forenoon in this office. The Board's telegram directing Sri Swaminathan to await revised posting orders was received on the evening of 11-2-55. He has been informed of the Board's telegram.

As there was no indication in the G.O. cited 1st from when the special Revenue staff should be employed the Chief Engineer (H) Madras, was addressed on 26-12-54, and the Divisional Engineer (H) special Sub Division, (West Coast Roads), Mangalore on 28-12-54, to suggest the date from [illegible] the subordinate Revenue staff would be required. The Divisional Engineer (H)Special sub Division, Mangalore, in his letter dated 31-12-54, to the superintending Engineer (h) Cannanore (copy received in this office) stated that the Revenue staff could be asked to join by 15-1-55. to take up land acquisition work. Subsequently the Chief Engineer (H,) Madras in his letter 55560/A1/54-1 dated 15-1-55, received in this office on 26-1-55, stated that the staff would be required only after the estimates for the work are sanctioned. He also stated that the sanction of the estimates would be intimated by the Superintending Engineer, Cannanore . As no definite information as to the date from which the Revenue staff would be required was received from the Highways Department the Chief Engineer, (H) Madras was again addressed on 3-2-55 asking him when exactly the special staff will be required and whether it would be necessary to suggest the renewal of the sanction of the special staff so that the Board could be addressed in the matter. As was expected that the subordinate staff may have to be employed at any time, it was thought that the Board could be addressed for the posting of the special Dy. Collector soon after the subordinate staff was posted and stated work. But his reply has not been received so far. Under these circumstances the subordinate Revenue Staff sanctioned in the G.O. has not been appointed.

Separate proposals for renewal of the sanction for the staff will be submitted to the Board on receipt of the Chief Engineer's Reply.
